Charges have been ordered to be incorporated in the bills of the District magistrate. The charges would therefore have to be met from the contingent allotment for the district under Criminal Courts.

2) There was a provision of Rs 8500/- under Criminal Court contingencies during the year 1920-21 and there is a provision of Rs 9200/- during the year 1921-22.

3) The Deputy Commissioner Bangalore desires that a provision of Rs 300/- be made for contingent charges during the year 1921-22. It is not known whether the contingent allotments for these Courts had been included in the Grants provided under the Criminal Courts Contingencies. The Financial Secretary may if approved be consulted as ~~to~~ the details for the provision which has been made.

4) As for the Deputy Commissioner's request to provide a sum of Rs 300/- to meet the contingent charges of the Bench Courts for the year 1920-21, it could not be done now and the charges which had already been incurred would have to be met from some other source during the current year 1921-22.

SIR,

I have the honour to forward herewith, for the orders of Government, copy of Bangalore District Deputy Commissioner's letter No. J.C.1788 dated 13/14th June 1921 requesting to move the Government to allot a sum of Rs 600/- for meeting the contingent charges of the several Bench Courts in the Districts both during the current year and the next year (1921-22). Copies of Bangalore District Deputy Commissioner's letter No. O.C.1725/20-21 dated 4th March 1921 addressed to this office previously in the matter and of this office reply thereto No. D.2 Dis.1920/20-21 are also forwarded for reference. I beg to state that in my opinion the contingencies of the Bench Courts should be met from the Judicial Budget and not from the contingent grant of the Revenue Department, or a separate allotment provided therefor in the Budget.

Letter J.C No.1788 dated the 13/14th June 1921 from the District Magistr Magistrate, Bangalore District, to the Revenue Commissioner in Mysore,

====

With reference to your letter No.D2.Dis.1920 dated the 28th March 1921 stating that no provision exists for the contingencies for the Bench Courts in the District in the Land Revenue Budget and suggesting that Government may be addressed in my capacity as District Magistrate for the funds required by me, I have the honour to state that the Registrar of the Chief Court of Mysore was requested in my letter No.J.C.1788 dated 8/11th May 1921 to kindly move the Government to allot a sum of Rs.300/- to meet the contingencies of the 8 Taluk Bench Courts for 1920-21 and also Rs.300/- for 1921-22 from the Revenue Budget to which he replied in his docket No.D2.Dis.1141 dated the 20th May 1921 that as provision has to be made from the Revenue Budget for the contingencies in question, I might move the Government through you in the matter. The copies of the above said communications are herein enclosed for kind perusal.

The chairmen of the several Taluk Bench Courts have submitted their contingent bills for the several months of the year 1920-21 and are pressing for the amount of the amount.

I request that you will be so good as to move Government to allot a sum of Rs.600/- being the contingent amount for 1920-21 and 1921-22 in the Revenue Budget for the year 1921-22 as much difficulty is being experienced by the Bench Courts for want of funds.

Letter No.D2.Dis. 1920/20-21/ from the Revenue Commissioner in Mysore, to the Deputy Commissioner, Bangalore District.

Referring to his letter No.O.C. 1725/20-21 dated the 4th March 1921 requesting an additional allotment of Rs.300/- for meeting the contingent charges of the Bench Courts in the District, has the honour to state that no provision exists for the said contingencies in the Land Revenue Budget and that it is not therefore possible to allot funds therefor from the Budget provisions at the disposal of the undersigned. If the District Magistrate has a separate allotment from the Judicial Budget, it seems appropriate that he should meet the contingencies of the Bench Courts from that allotment. If ~~he~~ nor, may address Government in ~~this~~ his capacity as District Magistrate for the funds required by him.

Letter No.O.C.1725 dated the 4th March 1921 from the Deputy Commissioner, Bangalore District, to the Revenue Commissioner in Mysore,

===

'I have the honour to state that in the allotment of Budget grants for contingencies made in your Memo C.1278/G1,20-21 dated 2nd October 1920, no grant has been made on account of contingencies for Bench Courts in this District for the current year. There are 8 Bench Courts in this District and as per G.O.No. G.14790-803/Cts, 213-17-24 dated the 20th January 1919, each of these Bench Courts is allowed to spend Rs.3/- per month.

A reference was made to the Registrar of the Chief Court, for placing the requisite funds, but that Officer has replied that this item of expenditure should be met out of the contingent grant of the Deputy Commissioner and District Magistrate. A copy of his docket (No.D2.Dis.722 of 20-21 dated the 17th January 1920) is enclosed.

Under these circumstances, I request that an additional allotment of Rs.300/- may kindly be made to this District for the current year to meet the Bills received from the several Bench Courts, which are now pending in this Office.
